Preface

Welcome to PELOBiotech

Dear customer,

We are very proud to present you our "PELOBiotech Product Overview Human Cancer Cells". Thanks to your great interest in our products that strengthened our leading market position in Germany, Austria, Switzerland and all over Europe as producer and distributor of the widest range of primary human and animal cell cultures. We're sure that together with you we are on the right path. With the new "PELOBiotech Overview Human Cancer Cells & Media 2016" we want to present the products of our partner Celprogen (US). You will find a product range of human primary cancer cells, human cancer stem cells and media. All our distribution brands will be published together with our PELOBiotech products in our One-Stop-Cell Culture Shop (www.pelobiotech.com).

Product Overview
Human Tumor Cells & Cancer Stem Cells 2016 v.:1.1 (St.:160921)

All cells are offer cryo-preserved and correponding media as well as pre-coated cell culture vessels (different formats) are available. If your cancer cell of interest is not included in this product list we are happs to offer you our tissue & cell sourcing service. For more information please contact us by phone (+49 89 517 286 59-0) or email: info@pelobiotech.com.
